Care Instructions for PU Furniture:

In order to maintain the original appearance of your PU Furniture, please follow the simple care procedures below:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage PU furniture.
- Vacuum or wipe with a soft cloth to remove dust.

For items used on wooden floors, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to prevent damage, scratches, and discoloration.
